Recent Programs

Our program was the Exchange student's presentation of his home life. Michel de Lima had a visual as well as oral show for us to present highlights of his life in Brazil.

ANNOUNCEMENTS:

Everyone should get ready for our annual "picnic in the park". Don't forget to sign

up and let Adriana or someone know how many you are bringing and what pot luck items you are bringing, if you are bringing something. Bring your kids or grandkids to this outing. There will be hamburgers, hot dogs and lots of desserts. There is a Castle Bounce for the kids and we should have a volley

ball game going, for those with a competitive spirit.

If you have other games, horse shoes, washers, etc, bring them and see who is up to the task of being the big time winner.

Above all else, come to the picnic.

A Rotary Moment

Child mortality rate drops worldwide

Improved antimalaria measures and simple health practices have contributed to the decline of child deaths worldwide, according to a report released by UNICEF in September.

The study showed that an estimated 8.8 million children under five died in 2008 compared with 12.5 million in 1990, a drop of 28 percent and the lowest since recordkeeping began in 1960, UNICEF says.

"These new figures underscore the importance of the work that Rotary does," says 2008-09 RI President Dong Kurn Lee, who chose to focus on child mortality during his term. "The great majority of child deaths are preventable, and most of them can be prevented with relatively inexpensive interventions -- something as simple as a water filter, antibiotics, or a trained birth attendant."
