Points of Interest

San Henry de Osso. David Howard presented a program pertaining to the gift many can give. The gift of tutoring young minds who are having some difficulty in a part of their learning process. Although there are needs in the program such as locations for tutoring, and the many amenities that surround any such undertaking, a person can give only of their time.

We are not talking rocket science or micro

biology. Simple subjects that a child may need to get him/her over the hump in subjects that can be hard for a young mind to grasp. A little math, perhaps a little history or English.

The basics of the program is to let the schools find students who are in serious need of tutoring to keep them from failing. The school then passed the students who need help on to the program and hopefully some one will step up and tutor the student to get them over

the hump. The help given at this juncture of the child's life could be rewarding further down the line.

At our meeting there were two member's guest present. President Najla had her husband Lee as her guest and Dr. Irma brought her son Eddie.

If you noticed, Deborah was absent. She and Barney were off to Oklahoma City to attend a basketball game. I hope her team won.

Unless notified otherwise, the Board meeting next Monday has been postponed.

Things to Ponder

Can vegetarians eat animal crackers?

If the police arrest a mime, do they tell him he has a right to remain silent?

What was the best thing before sliced bread?

Why some men have dogs and not Wives

1. Dogs like to ride in the back of a pickup truck..
2. If a dog leaves, it won't take half your stuff.

A Rotary Moment

Rotary International

We are slowly getting closer to the goal of the \$200,000,000.00 matching fund challenge from the Bill Gates Foundation. Think what the total of over \$400,000,000.00 will do towards eradicating Polio.

SCHOLARSHIP LUNCH BUCKET

2/02/10

\$44.00 was collected for the scholarship fund.

The drawing was won by Laurent Delagrange.

He won a lovely oversized "shot glass" but rather than take it to the ranch, he donated it back to the Scholarship committee to let someone else have the privilege of winning this great prize.
